## Master Certified Electronics Technician (CETma)

The following technician completed his Master level certification. In addition to the Associate level certification, one must successfully obtain six other ETA certifications, with no more than two originating from the same specialized category in order to qualify. Congratulations!

| CERT. #  | NAME             | ORGANIZATION      | PROCTOR | LOCATION |
|----------|------------------|-------------------|---------|----------|
| US242365 | Douglas Anderson | Jeffersonville IN |         |          |

## Certified Electronics Technician Master Specialty (CETms)

The following technician completed his Master level certification. In addition to the Associate level certification, one must successfully obtain six other ETA certifications, with at least four in his/her specialty category in order to qualify. Two of the six certifications may come from any other Journeyman-level certification field, or all six may come from the specialty category. Congratulations!
